Endurance was recognized for the company's achievements in the Google Cloud ecosystem in Asia Pacific, helping joint customers achieve success online by improving productivity and communication capability.

The Endurance family of brands, which includes ResellerClub and BigRock, helps millions of small businesses and web professionals worldwide with products and technology to enhance their online web presence, email marketing, business solutions, and more. In Asia-Pacific, web professionals play a critical role in enabling SMBs success on the Internet because most markets like India are do-it-for-me in nature. ResellerClub has been serving web professionals in APAC for over a decade and its powerful platform integrates expanded capabilities with Google Cloud. BigRock has an extensive suite of services for small businesses and startups that also includes Google Cloud's suite of products.

"We are excited to celebrate this success with Google Cloud. We are laser-focused on delivering and supporting the business needs of web professionals and SMBs. Our suite of products delivered through our brands like ResellerClub, BigRock, Bluehost and HostGator, is perfect for such a mission," said Manish Dalal, senior vice president & General Manager, Endurance APAC.

"We're thrilled to recognize Endurance's work on behalf of customers over the last year," said Carolee Gearhart, Vice President, Worldwide Channel Sales at Google Cloud. "Endurance has demonstrated strong expertise in bringing Google Cloud technology and solutions to customers in Asia Pacific. We look forward to a continued, strong partnership with Endurance to help customers succeed."
