IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

- Q. Why did I receive these proxy materials?** A. We are providing these proxy materials to you in connection with the solicitation by our Board of Directors, or Board, of proxies to be voted at our 2015 Annual Meeting of Stockholders, or Annual Meeting, to be held at the Boston Marriott Burlington at One Burlington Mall Road, Burlington, Massachusetts 01803 on Thursday, April 30, 2015 at 3:00 p.m., Eastern time.
- Q. Who can vote at the Annual Meeting?** A. Our Board has fixed March 3, 2015 as the record date for the Annual Meeting. If you were a stockholder of record on the record date, you are entitled to vote (in person or by proxy) all of the shares that you held on that date at the Annual Meeting and at any postponement or adjournment thereof.
- On the record date, we had 132,371,246 shares of common stock outstanding (each of which entitles its holder to one vote per share).
- Q. How do I vote?** A. **If your shares are registered directly in your name**, you may vote:
- (1) **Over the Internet:** Go to the website of our tabulator, Broadridge Financial Solutions, Inc., or Broadridge, at www.proxyvote.com, and follow the instructions provided on the Notice of Internet Availability of Proxy Materials you received. You must specify how you want your shares voted or your internet vote cannot be completed and you will receive an error message. Your shares will be voted according to your instructions. You must submit your internet proxy before 11:59 p.m., Eastern time, on April 29, 2015, the day before the Annual Meeting, for your proxy to be valid and your vote to count.
 - (2) **By Telephone:** Call (800) 690-6903, toll free from the United States, Canada and Puerto Rico, and follow the recorded instructions. You must specify how you want your shares voted and confirm your vote at the end of the call or your telephone vote cannot be completed. Your shares will be voted according to your instructions. You must submit your telephonic proxy before 11:59 p.m., Eastern time, on April 29, 2015, the day before the Annual Meeting, for your proxy to be valid and your vote to count.
 - (3) **By Mail:** If you elected to receive printed materials, you may complete and sign your proxy card included with those materials and mail it in the enclosed postage prepaid envelope to Broadridge. Broadridge must receive the proxy card not later than April 29, 2015, the day before the Annual Meeting, for your proxy to be valid and your vote to count. Your shares will be voted according to your instructions.
- If you do not specify how you want your shares voted, they will be voted as recommended by our Board.
- (4) **In Person at the Annual Meeting:** If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which we will provide to you at the Annual Meeting.

If your shares are held in “street name,” meaning they are held for your account by a broker or other nominee, you may vote:

- (1) **Over the Internet or by Telephone:** You will receive instructions from your broker or other nominee if they permit internet or telephone voting. You should follow those instructions.
- (2) **By Mail:** If you have elected to receive printed materials, you will receive instructions from your broker or other nominee explaining how you can vote your shares by mail. You should follow those instructions.
- (3) **In Person at the Meeting:** Contact your broker or other nominee who holds your shares to obtain a legal proxy and bring it with you to the Annual Meeting. A legal proxy is *not* the form of proxy included with this proxy statement. **You will not be able to vote shares you hold in street name in person at the Annual Meeting unless you have a legal proxy from your broker or other nominee issued in your name giving you the right to vote your shares.**

Q. Can I change my vote?

- A. If your shares are registered directly in your name, you may revoke your proxy and change your vote at any time before the Annual Meeting. To do so, you must do one of the following:
- (1) Vote over the internet or by telephone as instructed above. Only your latest internet or telephone vote is counted. You may not change your vote over the internet or by telephone after 11:59 p.m, Eastern time, on April 29, 2015.
 - (2) If you have elected to receive printed materials, sign a new proxy and submit it as instructed above. Only your latest dated proxy, received by Broadridge not later than April 29, 2015, will be counted.
 - (3) Attend the Annual Meeting, request that your proxy be revoked and vote in person as instructed above. Attending the Annual Meeting will not revoke your internet vote, telephone vote or proxy, as the case may be, unless you specifically request it.

If your shares are held in street name, you may submit new voting instructions by contacting your broker or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer above.

Q. Will my shares be voted if I do not return my proxy?

- A. **If your shares are registered directly in your name,** your shares will not be voted if you do not vote over the internet, by telephone, by returning a proxy card via the mail or by ballot at the Annual Meeting.

If your shares are held in street name, your broker or other nominee may, under certain circumstances, vote your shares if you do not timely return your proxy. **Brokers can vote their customers’ unvoted shares on discretionary matters but cannot vote such shares on non-discretionary matters.** If you do not timely return a proxy to your broker to vote your shares, your broker may, on discretionary matters, either vote your shares or leave your shares unvoted.

The election of directors (Proposal 1) is a non-discretionary matter. The ratification of the appointment of our independent auditors (Proposal 2) is a discretionary matter.

We encourage you to provide voting instructions to your broker or other nominee by giving your proxy to them. This ensures that your shares will be voted at the Annual Meeting according to your instructions.

Q. How many shares must be present to hold the Annual Meeting?

A. A majority of our outstanding shares of common stock must be present to hold the Annual Meeting and conduct business. This is called a quorum. For purposes of determining whether a quorum exists, we count as present any shares that are voted over the internet, by telephone, by completing and submitting a proxy through the mail or that are represented in person at the meeting. Further, for purposes of establishing a quorum, we will count as present shares that a stockholder holds even if the stockholder votes to abstain or only votes on one of the proposals. In addition, we will count as present shares held in street name by banks, brokers or nominees that indicate on their proxies that they do not have authority to vote those shares on Proposal 1. If a quorum is not present, we expect to adjourn the Annual Meeting until we obtain a quorum.

Q. What vote is required to approve each proposal and how are votes counted?

A. Proposal 1 — Election of Three Class II Directors

The three nominees for Class II director receiving the highest number of votes FOR election will be elected as directors. This is called a plurality. **Proposal 1 is a non-discretionary matter.** Therefore, if your shares are held in street name and you do not vote your shares, your broker or other nominee cannot vote your shares on Proposal 1. Shares held in street name by brokers or nominees who indicate on their proxies that they do not have authority to vote the shares on Proposal 1 will not be counted as votes FOR or WITHHELD from any nominee and will be treated as “broker non-votes.” Broker non-votes will have no effect on the voting on Proposal 1. With respect to Proposal 1, you may:

- vote FOR all nominees;
- vote FOR one or more nominees and WITHHOLD your vote from the other nominee(s); or
- WITHHOLD your vote from all nominees.

Votes that are withheld will not be included in the vote tally for the election of directors and will not affect the results of the vote.

Proposal 2 — Ratification of Appointment of Independent Auditors

To approve Proposal 2, stockholders holding a majority of the votes cast on the matter must vote FOR the proposal. **Proposal 2 is a discretionary matter.** Therefore, if your shares are held in street name and you do not vote your shares, your broker or other nominee may vote your unvoted shares on Proposal 2. If you vote to ABSTAIN on Proposal 2, your shares will not be voted FOR or AGAINST the proposal and will also not be counted as votes cast or shares voting on the proposal. Voting to ABSTAIN will have no effect on the voting on Proposal 2.

Although stockholder approval of our Audit Committee's appointment of BDO USA, LLP, or BDO, as our independent auditors for the year ending December 31, 2015 is not required, we believe that it is advisable to give stockholders an opportunity to ratify this appointment. If Proposal 2 is not approved at the Annual Meeting, our Audit Committee may reconsider its appointment of BDO as our independent auditors for the year ending December 31, 2015.

- Q. Are there other matters to be voted on at the Annual Meeting?**
- A.** We do not know of any matters that may come before the Annual Meeting other than the election of three Class II directors and the ratification of the appointment of our independent auditors. If any other matters are properly presented at the Annual Meeting, the persons named in the accompanying proxy intend to vote, or otherwise act, in accordance with their judgment on the matter.
- Q. Where can I find the voting results?**
- A.** We will report the voting results in a Current Report on Form 8-K within four business days following the adjournment of the Annual Meeting.
- Q. What are the costs of soliciting these proxies?**
- A.** We will bear the cost of soliciting proxies. In addition to these proxy materials, our directors, officers and employees may solicit proxies without additional compensation. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.

four additional private companies. We believe Mr. Sadrian is qualified to serve on our Board due to his extensive knowledge of strategy and business development, wide-ranging experience as a director and deep familiarity with our company.

There are no family relationships among any of our directors or executive officers.

Composition of the Board of Directors

Our Board currently consists of nine members. The current members of our Board were elected in compliance with the provisions of a stockholders agreement among our company and certain holders of our common stock. See “Related Person Transactions—Stockholders Agreement.” In particular, investment funds and entities affiliated with Warburg Pincus designated Messrs. Neary, Reedy and Sadrian, and may designate up to one additional director, for election to our Board, and investment funds and entities affiliated with Goldman Sachs designated Mr. DiSabato, for election to our Board. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

In accordance with the terms of our restated certificate of incorporation and amended and restated bylaws, our Board is divided into three classes, each of whose members will serve for staggered three year terms. The members of the classes are divided as follows:

- the Class I directors are Messrs. Hayford, Perrone and Reedy, and their terms will expire at our annual meeting of stockholders held in 2017;
- the Class II directors are Messrs. Crandall, Gorny and Sadrian, and their terms will expire at this Annual Meeting; and
- the Class III directors are Messrs. DiSabato, Neary and Ravichandran, and their terms will expire at our annual meeting of stockholders held in 2016.

Our stockholders agreement provides that investment funds and entities affiliated with Warburg Pincus are entitled to designate up to:

- four directors for election to our Board for so long as certain investment funds and entities affiliated with Warburg Pincus hold an aggregate of at least 32,339,279 shares of our common stock, which represents 50% of the shares of our common stock that they held immediately following the closing of our initial public offering, or IPO;
- three directors for election to our Board for so long as certain investment funds and entities affiliated with Warburg Pincus hold an aggregate of at least 16,169,640 shares of our common stock, which represents 25% of the shares of our common stock that they held immediately following the closing of our IPO; and
- one director for election to our Board for so long as certain investment funds and entities affiliated with Warburg Pincus hold an aggregate of at least 8,084,820 shares of our common stock, which represents 12.5% of the shares of our common stock that they held immediately following the closing of our IPO.

In addition, our stockholders agreement provides that investment funds and entities affiliated with Goldman Sachs are entitled to designate one director to our Board for so long as investment funds and entities affiliated with Goldman Sachs hold an aggregate of at least 5,213,194 shares of our common stock, which represents 25% of the shares of our common stock that they held immediately following the closing of our IPO.

Our restated certificate of incorporation provides that the authorized number of directors may be changed only by our Board, subject to the rights of any holders of any series of our preferred stock; provided that the authorized number of directors may not exceed ten as long as investment funds and entities affiliated with either Warburg Pincus or Goldman Sachs are entitled to designate at least one director. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our Board may have the effect of delaying or preventing changes in our control or management.

[Table of Contents](#)

Our stockholders agreement provides that any director designated by investment funds and entities affiliated with either Warburg Pincus or Goldman Sachs may be removed with or without cause only by investment funds and entities affiliated with either Warburg Pincus or Goldman Sachs, respectively. In addition, our restated certificate of incorporation and our amended and restated bylaws provide that our directors may be removed only for cause by the affirmative vote of the holders of at least 75% of the votes that all our stockholders would be entitled to cast in an annual election of directors; provided that for so long as investment funds and entities affiliated with either Warburg Pincus or Goldman Sachs, collectively, hold at least a majority of our outstanding capital stock, our directors, other than a director designated by investment funds and entities affiliated with either Warburg Pincus or Goldman Sachs, may be removed with or without cause by the affirmative vote of the holders of a majority of our outstanding capital stock.

Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires. An election of our directors by our stockholders will be determined by a plurality of the votes cast by the stockholders entitled to vote on the election.

Director Independence

Our common stock is listed on the NASDAQ Global Select Market. Rule 5605 of the NASDAQ Listing Rules requires a majority of a listed company's board of directors to be comprised of independent directors within one year of its listing date, which in our case was October 25, 2013. In addition, the NASDAQ Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent within one year of its listing date and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Under Rule 5605(a)(2), a director will only qualify as an "independent director" if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

Our Board has undertaken a review of the composition of the Board and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board has determined that each of our directors, with the exception of Messrs. Ravichandran and Gorny, is an "independent director" as defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. Our Board also determined that Messrs. Crandall, Hayford and Perrone, who are members of our Audit Committee, Messrs. DiSabato, Neary and Sadrian, who comprise our Compensation Committee, and Messrs. DiSabato, Neary and Reedy, who comprise our Nominating and Corporate Governance Committee, satisfy the respective independence standards for such committees established by the Securities and Exchange Commission and the NASDAQ Listing Rules, as applicable. In making such determinations, our Board considered the relationships that each such non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director. Mr. Reedy, who was a member of our Audit Committee during 2014, did not satisfy applicable independence standards for audit committee membership because of the equity ownership in our company held by investment funds and entities affiliated with Warburg Pincus, of which Mr. Reedy is a managing director and partner. Mr. Reedy served on the Audit Committee through October 23, 2014 in accordance with the one year phase-in period under the NASDAQ Listing Rules.

Board Leadership Structure

Our corporate governance guidelines provide that the roles of chairman of the Board and chief executive officer may be separated or combined. Our Board has considered its leadership structure and determined that at this time the roles of chairman of the Board and chief executive officer should be separate. Separating the chairman and the chief executive officer positions allows our chief executive officer to focus on running the business, while allowing the chairman of our Board to lead the Board in its fundamental role of providing advice to and oversight of management. Mr. Neary has been an integral part of the leadership of our company and our Board since December 2011, and his strategic vision has guided our growth and performance. Our Board believes that Mr. Neary is best situated to ensure that the Board's attention and efforts are focused on the most critical matters. Mr. Ravichandran has served as our president and chief executive officer since March 2011. As our Board has determined that each of our directors other than Messrs. Ravichandran and Gorny is independent, our Board believes that the independent directors provide effective oversight of management. Our Board believes that its leadership structure is appropriate because it strikes an effective balance between strategy development and independent leadership and management oversight in the board process.

Board Committees

Our Board has established Audit, Compensation, and Nominating and Corporate Governance Committees, each of which operates under a charter that has been approved by our Board. A copy of each committee's charter has been posted on the corporate governance section of our website, www.endurance.com.

Audit Committee

The Audit Committee's responsibilities include:

The Compensation Committee’s responsibilities include:

- reviewing and approving, or making recommendations to our Board with respect to, compensation of our chief executive officer;

The members of our Compensation Committee are Messrs. DiSabato, Neary and Sadrian. The Compensation Committee met four times during 2014 and acted by written consent four times.

Our Compensation Committee reviews and approves the compensation of our executive officers after taking into account such factors as our financial and operational performance, Mr. Ravichandran’s recommendations with respect to the compensation of his direct reports, the input of our chief people officer, its own assessment of the performance of each executive officer, and market data for comparable positions and prevailing industry compensation trends and practices. With respect to director compensation, the Compensation Committee reviews our director compensation program annually in light of market data and evolving industry practices, and makes recommendations to our Board based upon that review.

The Compensation Committee has the ability to delegate certain of its responsibilities to subcommittees, but has not done so to date. The Compensation Committee may also delegate to executive officers the ability to approve grants under our stock incentive plans to employees who are not executive officers or directors.

Our Compensation Committee has engaged Exequity, an independent compensation consultant, to assist the Compensation Committee in evaluating our executive compensation program. In 2014, Exequity performed research to assist in updating our compensation peer group and completed an outside director and executive officer pay benchmarking analysis. The Compensation Committee has assessed Exequity’s independence from management as required by the NASDAQ Listing Rules and has concluded that Exequity’s engagement does not present a conflict of interest.

None of the members of our Compensation Committee is an officer or employee of our company, nor has any member ever been an officer or employee of our company.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code on our website, www.endurance.com. In addition, we intend to post on our website all disclosures that are required by law or the NASDAQ Listing Rules concerning any amendments to, or waivers from, any provision of the code.

Director Nomination Process

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates (other than directors appointed by Warburg Pincus and Goldman Sachs pursuant to our stockholders agreement) includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and our Board.

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, the Nominating and Corporate Governance Committee applies the criteria specified in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, commitment to understanding our business and industry, experience, conflicts of interest and ability to act in the interests of stockholders. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for any prospective nominee.

Our Board does not have a formal policy with respect to diversity, but our corporate governance guidelines provide that the backgrounds and qualifications of the directors considered as a group should provide a significant breadth of experience, knowledge and abilities that will assist the Board in fulfilling its responsibilities.

The director biographies on pages 6 to 8 indicate each director nominee's experience, qualifications, attributes and skills that led the Board to conclude that each should continue to serve as a member of our Board. Our Board believes that each of the director nominees has had substantial achievement in his professional and personal pursuits, and possesses talents and experience that will contribute to our success.

Stockholder Nominations

Stockholders may recommend individuals to our Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical

information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Nominating and Corporate Governance Committee, c/o Corporate Secretary, Endurance International Group Holdings, Inc., 10 Corporate Drive, Suite 300, Burlington, MA 01803. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying the same criteria, as it follows for candidates submitted by others.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the Nominating and Corporate Governance Committee or the Board, by following the procedures set forth under “Stockholder Proposals for 2016 Annual Meeting.” If the Board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy statement and proxy card for the next annual meeting. Otherwise, candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy statement and proxy card for the next annual meeting.

Board Meetings and Attendance

Our Board met, either in person or telephonically, five times during 2014. During 2014, each director attended at least 75% of the aggregate of the number of Board meetings and the number of meetings held by all committees on which he then served.

Our directors are invited to attend our annual meetings of stockholders, but are not required to do so. Mr. Ravichandran attended our 2014 annual meeting of stockholders.

Communicating with the Independent Directors

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The chairman of the Board, with the assistance of our chief legal officer, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are generally forwarded to all directors, or to specified individual directors, if applicable, if they relate to important substantive matters and include suggestions or comments that our chief legal officer considers to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications to our Board should address such communications to Board of Directors, c/o Corporate Secretary, Endurance International Group Holdings, Inc., 10 Corporate Drive, Suite 300, Burlington, MA 01803.

To the fullest extent permitted by law, we have, on behalf of ourselves, our subsidiaries and our and their respective stockholders, renounced any interest or expectancy in, or in being offered an opportunity to participate in, any business opportunity that may be presented to Warburg Pincus, Goldman Sachs or any of their respective affiliates, partners, principals, directors, officers, members, managers, employees or other representatives, and no such person has any duty to communicate or offer such business opportunity to us or any of our subsidiaries. Further, no such person shall be liable to us or any of our subsidiaries or any of our or its stockholders for breach of any duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to us or our subsidiaries. Arrangements with Executive Officers and Directors

For a description of the compensation arrangements we have with our executive officers and directors, see “Executive Compensation—Employment and Compensation Arrangements with Named Executive Officers” and “Executive Compensation—Director Compensation.”

Policies and Procedures for Related Person Transactions

Our Board has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which our company is a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees or 5% stockholders (or their immediate family members), each of whom we refer to as a “related person,” has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related person transaction,” the related person must report the proposed related person transaction to our chief legal officer. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by the Audit Committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the chairman of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between Audit Committee meetings, subject to ratification by the Audit Committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person’s interest in the transaction. As appropriate for the circumstances, the Audit Committee will review and consider:

- the related person’s interest in the related person transaction;
- the approximate dollar value of the amount involved in the related person transaction;
- the approximate dollar value of the amount of the related person’s interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the transaction; and
- any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

[Table of Contents](#)

The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is in or is not inconsistent with our company's best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC's related person transaction disclosure rule, our Board has determined that transactions that are specifically contemplated by provisions of our restated certificate of incorporation and amended and restated bylaws do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the Compensation Committee in the manner specified in its charter.

Employment and Compensation Arrangements with Named Executive Officers***Hari Ravichandran******Employment Agreement***

We are party to an employment agreement with Mr. Ravichandran dated September 30, 2013. This agreement has an initial term of three years and then automatically renews for successive one-year terms, unless either we or Mr. Ravichandran provide written notice of non-renewal to the other party at least 90 days prior to the expiration of the then-current term, or if it is terminated earlier in accordance with its terms. Other material terms of the agreement are summarized below.

[Table of Contents](#)

Base Salary, Bonus and Equity

Mr. Ravichandran is entitled under his employment agreement to receive an annual base salary of \$750,000, which is generally reviewed annually and subject to increase by our Compensation Committee. Mr. Ravichandran is also eligible to earn an annual bonus with a target opportunity of 100% of his base salary. Although the actual annual bonus may be higher or lower than 100% of his base salary, as determined by the Compensation Committee in its discretion, his employment agreement provides that it may, in no event, be more than 200% of his base salary. For 2014, Mr. Ravichandran's annual bonus was paid at the target level, based upon our level of achievement against our financial and operational goals and our Compensation Committee's subjective assessment of Mr. Ravichandran's performance.

Mr. Ravichandran's employment agreement provided for certain equity grants to Mr. Ravichandran in connection with our IPO. These grants were made in October 2013 upon the IPO and are reflected in the "Outstanding Equity Awards at 2014 Fiscal Year-End" table above. The employment agreement also provides that he is eligible for future equity awards in the Board's discretion; however, no equity grants were made to Mr. Ravichandran or our other named executive officers during 2014 since each of them had received IPO grants in October 2013.

Payments upon Termination of Employment

If Mr. Ravichandran's employment is terminated without cause or he resigns his employment for good reason, he is entitled under his employment agreement to the following severance payments:

- continued payment of his base salary for a period of 24 months;
- payment of an amount equal to two times the prior year's annual bonus (or if the termination occurs within the one-year period following a change in control, an amount equal to the greater of the prior year's annual bonus or his target annual bonus);
- a lump sum payment in an amount that, after applicable taxes, is equal to the monthly COBRA premium that Mr. Ravichandran would be required to pay to continue group health insurance coverage for a period of 18 months following his termination; and
- in the event that the termination occurs within the one-year period following a change in control of our company, full acceleration of all unvested equity awards held by Mr. Ravichandran as of his termination date.

In order to receive these severance payments, Mr. Ravichandran must sign a general release in favor of us and our affiliates and abide by specified restrictive covenants, including two-year non-competition and non-solicitation covenants, as well as confidentiality and non-disparagement obligations.

Tivanka Ellawala

Employment Agreement

We are party to an employment agreement with Mr. Ellawala dated October 10, 2012. Mr. Ellawala's employment agreement had an initial term of two years, beginning on December 14, 2012, and it now automatically renews for successive one-year terms, unless either we or Mr. Ellawala provide written notice of non-renewal to the other party at least 90 days prior to the expiration of the then-current term, or if it is terminated earlier in accordance with its terms. The material terms of Mr. Ellawala's employment agreement are summarized below.

Base Salary and Bonus

Mr. Ellawala is entitled under his employment agreement to receive an annual base salary of \$375,000, which is generally reviewed annually and subject to increase by our Compensation Committee. In 2014,

[Table of Contents](#)

Mr. Ellawala was eligible to earn quarterly bonuses, each with a target opportunity of 15% of his quarterly base salary, for an annual total target amount of 60% of his annual base salary. Beginning in 2015, Mr. Ellawala's bonus will be paid annually, with the annual target opportunity remaining at 60% of his annual base salary. Mr. Ellawala's 2014 quarterly bonuses amounts were determined in accordance with our Management Incentive Plan, or MIP, pursuant to which eligible employees, including executive officers other than Mr. Ravichandran, are eligible for cash bonuses. Bonus pool funding under the MIP is dependent upon the company reaching at least 90% of certain designated financial targets. Provided that this 90% threshold is met, bonuses are calculated based on an individual's target bonus percentage and on our level of achievement against our financial targets for the relevant period, subject to adjustment based upon individual performance. For 2014, Mr. Ellawala received quarterly bonuses that were determined based upon his quarterly target bonus percentage, our level of achievement against our financial goals and the subjective assessment of Mr. Ellawala's performance by Mr. Ravichandran and the Compensation Committee.

Payments upon Termination of Employment

If Mr. Ellawala's employment is terminated without cause or he resigns his employment for good reason, he is entitled under his employment agreement to the following severance payments:

- continued payment of his base salary for a period of 12 months (or if the termination occurs within the one-year period following a change in control, 24 months); and
- reimbursement on a monthly basis for the monthly COBRA premium that Mr. Ellawala would be required to pay to continue group health insurance coverage for a period of up to 18 months following his termination.

In order to receive these severance payments, Mr. Ellawala must sign a general release in favor of us and our affiliates and abide by specified restrictive covenants, including two-year non-competition and non-solicitation covenants, as well as confidentiality and non-disparagement obligations.

In the event that we undergo a change in control and Mr. Ellawala's employment is terminated without cause by us within the one-year period following the change in control, any remaining unvested portion of his equity awards will vest in full as of his termination date. If addition, if he resigns for good reason during the one-year period following a change in control, the shares described in footnote 6 to the "Outstanding Equity Awards at 2014 Fiscal Year-End" table above will vest in full as of his termination date.

Mr. Ellawala's employment agreement also provides that we will pay the premiums for a life insurance policy covering him in the amount of \$2 million.

Ronald LaSalvia

Employment Offer Letter Agreement

We entered into an at-will offer letter agreement with Mr. LaSalvia on April 11, 2011, which established the initial terms of his employment with us. Mr. LaSalvia is also bound by specified restrictive covenants, including non-competition, non-solicitation and confidentiality obligations, pursuant to a separate agreement with us.

Base Salary and Bonus

Mr. LaSalvia's base salary is \$400,000 per year and his annual bonus target is 50% of his base salary for the year. Mr. LaSalvia's bonuses are typically determined in accordance with the MIP; however, for 2014, Mr. LaSalvia received a one-time bonus of \$200,000 in May 2014 in lieu of his participation in the MIP.

Payments upon Termination of Employment

In the event that we undergo a change in control and Mr. LaSalvia's employment is terminated without cause by us within the one-year period following the change in control, any remaining unvested portion of his

equity awards will vest in full as of his termination date. In addition, if he resigns for good reason during the one-year period following a change in control, the shares described in footnote 7 to the “Outstanding Equity Awards at 2014 Fiscal Year-End” table above will vest in full as of his termination date.

Director Compensation

We compensate our directors who are neither employees of our company nor affiliates of Warburg Pincus or Goldman Sachs, or our eligible directors, for their service as directors. Accordingly, Mr. Ravichandran, our President and Chief Executive Officer, does not receive any additional compensation for his service as a director. In addition, neither Messrs. Neary, Reedy and Sadrian, each of whom is affiliated with Warburg Pincus, nor Mr. DiSabato, who is affiliated with Goldman Sachs, receive any compensation for their service as directors.

Annual retainer fee for service on our Board	\$80,000
Additional annual retainer fees for committee service:	
Committee chair	\$20,000
Committee member (other than chair)	\$10,000

Per-Meeting Fees. In the event the Board holds more than five Board meetings in a calendar year (including special meetings held in person but excluding all telephonic Board meetings and all committee meetings), each eligible director will receive a per-meeting attendance fee of \$5,000 for each Board meeting in excess of five that he attends in person during that calendar year. In 2014, the Board did not hold more than five in-person meetings, and therefore we did not pay any per-meeting fees to our directors.

Each member of our Board is entitled to reimbursement for reasonable travel and other expenses incurred in connection with attending Board meetings and meetings for any committee on which he serves.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, officers and beneficial owners of more than 10% of our common stock to file reports of ownership and changes of ownership with the SEC on Forms 3, 4 and 5. We believe that during 2014, our directors, officers and beneficial owners of more than 10% of our common stock timely complied with all applicable filing requirements. In making these disclosures, we relied solely on a review of copies of such reports filed with the SEC and furnished to us and written representations that no other reports were required.

PROPOSAL 1

ELECTION OF DIRECTORS

Our certificate of incorporation provides for a classified board. This means our Board is divided into three classes, with each class having as nearly as possible an equal number of directors. The term of service of each class of directors is staggered so that the term of one class expires at each annual meeting of the stockholders.

Our Board currently consists of nine members, divided into three classes as follows:

- Class I consists of Michael Hayford, Peter Perrone and Chandler Reedy, each with a term ending at the 2017 annual meeting;
- Class II consists of Dale Crandall, Thomas Gorny and Justin Sadrian, each with a term ending at this Annual Meeting; and
- Class III consists of Joseph DiSabato, James Neary and Hari Ravichandran, each with a term ending at the 2016 annual meeting.

At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring. Messrs. Crandall, Gorny and Sadrian are current directors whose terms expire at the Annual Meeting. Messrs. Crandall, Gorny and Sadrian are each nominated for re-election as a Class II director, with a term ending in 2018.

Unless otherwise instructed in the proxy, all proxies will be voted “FOR” the election of all of the Class II nominees identified above to a three-year term ending in 2018, each such nominee to hold office until his successor has been duly elected and qualified. Each of the nominees has indicated his willingness to serve on our Board, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our Board. We do not expect that any of the nominees will be unable to serve if elected.

A plurality of the combined voting power of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect each nominee as a director.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE ELECTION OF MESSRS. CRANDALL, GORNY AND SADRIAN.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed the firm of BDO USA, LLP, an independent registered public accounting firm, to audit our books, records and accounts for the year ending December 31, 2015. This appointment is being presented to the stockholders for ratification at the Annual Meeting.

BDO has no direct or indirect material financial interest in our company or our subsidiaries. Representatives of BDO are expected to be present at the Annual Meeting and will be given the opportunity to make a statement on the firm’s behalf if they so desire. The representatives also will be available to respond to questions as appropriate.

Table of Contents

The following table summarizes BDO's fees billed to us for each of the last two fiscal years. For the fiscal year ended December 31, 2014, audit fees include amounts not yet billed of approximately \$225,000.

<u>Fee Category</u>	<u>2013</u>	<u>2014</u>
Audit Fees(1)	\$ 1,167,723	\$ 1,344,202
Audit-Related Fees(2)	\$ 85,000	\$ —
Tax Fees(3)	\$ 1,079,506	\$ 1,342,698
Total Fees	<u>\$ 2,332,229</u>	<u>\$ 2,686,900</u>

- (1) Audit fees consist of fees for the audit of our financial statements, the review of the interim financial statements included in our quarterly reports on Form 10-Q and other professional services provided in connection with statutory and regulatory filings or engagements, including services rendered in connection with our IPO.
- (2) Audit-related fees consist of fees for assurance and related services that are reasonably related to the performance of the audit and the review of our financial statements and which are not reported under "Audit Fees". For the fiscal year ended December 31, 2013, audit-related fees include due diligence procedures performed for the acquisition of the web presence business of Directi, which we acquired in January 2014. We did not incur any audit-related fees for the fiscal year ended December 31, 2014.
- (3) Tax fees consist of the fees for the following two general service categories: tax compliance and return preparation and tax planning and consulting. For the fiscal years ended 2013 and 2014, we incurred fees of approximately \$338,926 and \$505,006, respectively, for tax compliance and return preparation, and fees of approximately \$740,580 and \$837,692, respectively, for tax planning and consulting.

Our Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by our Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, our Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

Our Audit Committee has also delegated to the chairman of our Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent registered public accounting firm. Any approval of services by the chairman of our Audit Committee pursuant to this delegated authority is reported on at the next meeting of our Audit Committee.

Unless otherwise instructed in the proxy, all proxies will be voted "FOR" the ratification unless stockholders specify otherwise. Although stockholder ratification is not required, we believe that it is advisable to give stockholders an opportunity to ratify this appointment. If Proposal 2 is not approved at the Annual Meeting, our Audit Committee may reconsider its appointment of BDO as our independent auditors for the year ending December 31, 2015. Even if the appointment is ratified, our Board and the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of our company and our stockholders.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2015.

OTHER MATTERS

As of the date of this proxy statement, we know of no matter not specifically referred to above as to which any action is expected to be taken at the Annual Meeting. The persons named as proxies will vote the proxies, insofar as they are not otherwise instructed, regarding such other matters and the transaction of such other business as may be properly brought before the meeting, as seems to them to be in the best interest of our company and our stockholders.

Stockholder Proposals for 2016 Annual Meeting

Stockholder Proposals Included in Proxy Statement

To be considered for inclusion in the proxy statement and proxy card relating to our Annual Meeting of Stockholders to be held in 2016, or the 2016 Annual Meeting, stockholder proposals must include the information set forth in our bylaws and be received at our principal executive offices no later than November 17, 2015. However, if the date of next year's annual meeting is changed by more than 30 days from the anniversary date of this year's annual meeting on April 30, then the deadline is a reasonable time before we begin to print and mail proxy materials. Upon receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement and proxy card in accordance with regulations governing the solicitation of proxies.

Stockholder Proposals Not Included in Proxy Statement

We must receive notice of other proposals of stockholders (including director nominations) intended to be presented at the 2016 Annual Meeting but not included in the proxy statement by January 31, 2016, but not before January 1, 2016. However, in the event the 2016 Annual Meeting is scheduled to be held on a date before April 10, 2016, or after June 29, 2016, then these notices may be received by us at our principal executive office not earlier than 120 days prior to such annual meeting and not later than the close of business on the later of (1) the 90th day before the scheduled date of such annual meeting and (2) the 10th day after the day on which notice of the date of such annual meeting was mailed or we first make a public announcement of the date of such annual meeting, whichever first occurs. All such notices must contain the information required by our bylaws, and any proposals we do not receive in accordance with the above standards will not be voted on at the 2016 Annual Meeting.
